I am fluent in both spoken and written English and Spanish. I am a proactive and decisive individual who thrives on challenges and excels in high-pressure environments with a focus on achieving objectives. My skill set includes proficiency in AUTOCAD, REVIT, intermediate-level Excel, Powerpoint, and Prezi.

With a background in managing teams and supervising construction projects, I have valuable experience in an architecture studio where meticulous planning was a key aspect. I possess strong leadership abilities and am committed to delivering optimal results in any given situation.

Furthermore, I bring enthusiasm to my role as a Sales and Customer Service professional, demonstrating excellent communication and negotiation skills. A deep understanding of products and services drives my commitment to providing top-notch customer service. I am adept at creating solutions that foster customer loyalty, retention, and revenue growth.

In addition to my customer-centric approach, I have a proven track record in training, managing, coaching, and mentoring sales and customer service associates. My ability to interact effectively with individuals at all organizational levels and the public contributes to my success in facilitating positive outcomes.
